

Air Bearing Senior Assembly Technician

PI (Physik Instrumente) is hiring a **Senior Assembly Technician** to work in our Air Bearing System Assembly & Test department based in Hopkinton MA. This is a full time role, Monday-Friday, 8am-5pm

This is a hands-on senior level role that will work directly in our air bearing assembly department performing air bearing component assembly and system integration. Experience of over 5+ years assembling complex motion or automation systems is a requirement of this position. Experience with air bearing technology is highly preferred.

- Only US Citizens or Green Card holders with permanent US work authorization can be considered as this position is governed by the regulations and guidelines of ITAR. Candidates must be able to produce evidence of the permanent ability to live and work in the US as an employment contingency.

PI USA specializes in air bearing technology. Our product line consists of both rotary and linear air bearings with an emphasis on high precision, multi axis systems for the industrial and research markets.

PI (Physik Instrumente) globally is the world leader in high precision positioning systems: Nano Positioning, Micro Positioning, 6 DOF Hexapods. Our product lines include piezoelectric-based nanopositioners, motorized stepper and servo stages, and linear motor stages. Our customers are the leading OEM's and researchers in high tech fields such as semiconductor, photonics, biomedical, aerospace, astronomy, metrology, scientific instrumentation, and scientific research in microscopy and beam lines.

Key Position Requirements Include:

- High school diploma or equivalent is required.
- 5+ years of experience with high precision industrial motion or automation technology
- Excellent Communication Skills Required

Competencies Desired:

- Direct experience with the assembly and operation of air bearings
- Experience with electrical system wiring and electrical harness assembly.

PI offers a positive working environment that is team oriented and challenging. This position includes competitive pay in addition to a very generous benefits plan including paid vacation and sick leave, medical, dental, vision, and company contribution to a 401K retirement plan.

PI Physik Instrumente, LP is an Equal Employment Opportunity Employer/Protected Veterans/Individuals with Disabilities. This is a direct hire. No agencies at this time, please no solicitations. Job requisition: 180106
