

SUBMISSION CRITERIA

Applications will be reviewed by the Education Scholarship Committee. The following are minimum requirements for consideration of the application:

- The candidate must be pursuing a **masters or doctoral** thesis at an accredited university and must be a full-time student.
- The Education Scholarship Committee must deem the student's work of sufficient quality to merit an oral or poster presentation.

A completed application **must** include:

- The completed "ASPE Scholarship Grant Application" form.
- The abstract that you submitted (or authored) for the 34th ASPE Annual Meeting
- A statement describing your current research and academic accomplishments and your career plans in precision engineering
- The reference report filled in by the student's advisor.
- A letter of recommendation letter from the student's advisor.

The completed application is due on or before **June 26, 2020** and should be e-mailed to ASPE at executive@aspe.net
