

**SUBMISSION CRITERIA**

The following are minimum requirements for consideration of the application:

- The candidate must be pursuing a **master's or doctoral** thesis at an accredited university and must be a full-time student.
- The student's work should be of sufficient quality to merit selection as an oral or poster presentation.
- The recipient must attend the conference to receive the monetary benefits of the scholarship.
- Please note that past recipients of the scholarship are ineligible to apply.
- Application **must** contain items listed below for consideration. Incomplete applications will not be considered.

A completed application **must** include:

- The completed "ASPE Scholarship Grant Application" form (this form).
- The abstract that you submitted (or authored) for the upcoming ASPE Annual Meeting.
- A **brief** statement describing your current research, academic accomplishments and your career plans in precision engineering (1000 words maximum). Please submit this information on a separate piece of paper.
- The reference report filled in by the student's advisor.
- A letter of recommendation from the student's advisor.

The completed application is due on or before the **date indicated at the bottom of this page** and should be **mailed to the email address indicated there**.

Name of Applicant: \_\_\_\_\_

**Instructions for Applicant:** Please ask your thesis advisor to complete the following form and return it to ASPE at [executive@aspe.net](mailto:executive@aspe.net). The reference report must be sent by the advisor (not by the applicant). The subject line of the e-mail should read "ASPE Reference Report."

**Instructions for Advisor:** Please complete the following form to the best of your knowledge. Please add detailed written comments about the applicant as appropriate and additional pages are welcomed. As with any recommendation, specific comments greatly increase the utility of the recommendation. Please e-mail the Reference Report as a PDF attachment to ASPE at [scholarships@aspe.net](mailto:scholarships@aspe.net). The subject line of the e-mail should read "ASPE Reference Report."

In comparison with other students with whom you have interacted, please rate the applicant in the following areas:

	Top 50%	Top 25%	Top 10%	Top 2%
Technical ability				
Creativity				
Clarity of communication				
Promise for future sustained contribution to precision engineering				
Overall
